**PETITION FOR WITHDRAWAL OF
HOLDING OF ABANDONMENT UNDER 37 C.F.R. § 1.181(a)**

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

In the above-referenced application a Notice of Abandonment, copy attached, was mailed August 3, 2006 indicating that the above-identified application is abandoned for failure to timely pay the required issue and publication fees within three month from the mailing date of the Notice of Allowance.

In accordance with MPEP § 711.03(c)(I)(A), the undersigned states that the Notice of Allowance was not received and attests that a search of the file jacket and the docket records indicates that the Notice of Allowance was not received.

A copy of the docket records where the non-received Notice of Allowance would have been entered, and thereby docketed for response, is attached hereto.

Applicants' review of the Patent Application Information Retrieval (PAIR) system indicates that the Notice of Allowance was mailed March 21, 2006. However, the Notice of Allowance was not received.

In view of the foregoing, Applicants respectfully petition to withdraw the holding of abandonment, re-mail the Notice of Allowance of March 21, 2006 and set a new period for payment of the issue fee and publication fee, if applicable.

In the event any fees are required with respect to the filing of this paper, please charge our Deposit Account No. 19-3935.

Respectfully submitted,

Attachment to Notice of Abandonment

**For questions concerning the notice contact
Office of Patent Publication
Image Assistance Center: 888-786-0101.**

Information is also available on the USPTO Internet web site:
<http://www.uspto.gov/web/patents/pubs/abandonnotice.html>

Respond to the Notice of Abandonment by one of the following:

1. Petition To Withdraw Holding of Abandonment (See MPEP 711.03(c) I and 37 CFR § 1.181) No fee required

Where an applicant contends that the application is not in fact abandoned (e.g., a reply was in fact filed), a petition under 37 CFR § 1.181(a) requesting withdrawal of the holding of abandonment is the appropriate course of action. Any petition under 37 CFR § 1.181 to withdraw the holding of abandonment not filed within 2 months of the mail date of a Notice of Abandonment may be dismissed as untimely under 37 CFR § 1.181(f). In order for a petition to be granted, the evidence must be sufficient according to 37 CFR § 1.8(b) Certificate of Mailing; 37 CFR § 1.10 "Express Mail" mailing; or MPEP 503 Postcard Receipt as Prima Facie Evidence. The petition should be addressed as follows:

By mail: Mail Stop: Issue Fee, Commissioner For Patents, P.O. Box 1450, Alexandria, VA 22313-1450
By facsimile: 703-872-9306

2. Petition To Withdraw Holding Of Abandonment Based On Failure To Receive Office Action (MPEP 711.03(c) II and 37 CFR § 1.181). No fee required

Where an applicant contends that the original Notice of Allowance and Fee(s) Due was never received, if adequately supported, the Office may grant the petition and remail the Office action. The showing required establishing non-receipt of an Office communication must include a statement from the practitioner stating that the Office communication was not received and attesting to the fact that a search of the file jacket and docket records indicates that the Office communication was not received. A copy of the docket record where the nonreceived Office would have been entered had it been received and docketed must be attached to and referenced in practitioner's statement.

Petition should be addressed to the Technology Center handling the application as follows:

By mail: Commissioner For Patents, P.O. Box 1450, Alexandria, VA 22313-1450
By facsimile: 703-872-9306

3. Petition To Revive An Abandoned Application (See MPEP 711.03(c) III)

Where there is no dispute as to whether an application is abandoned (e.g., the applicant's contentions merely involve the cause of abandonment) a petition under 37 CFR § 1.137 (a) or (b) (accompanied by the appropriate petition fee) is necessary to revive the abandoned application. The text of these rules is available on the USPTO Internet Web site. Forms for these petitions, "Petition For Revival Of An Application For Patent Abandoned Unavoidably Under 37 CFR § 1.137(a)," PTO/SB/61, and "Petition For Revival Of An Application For Patent Abandoned Unintentionally Under 37 CFR 1.137(b)," PTO/SB/64, are available in the forms section of the USPTO website: <http://www.uspto.gov>.

Petitions under 37 CFR § 1.137 should be addressed to the Office of Petitions as follows:

By mail: Mail Stop Petition, Commissioner For Patents, P.O. Box 1450, Alexandria, VA 22313-1450
By facsimile: 703-872-9306

Note: Abandonment takes place by operation of law for failure to reply to an Office action or timely pay the issue fee, not by operation of the mailing of a Notice of Abandonment
